

Clary Crossing Apartments is a beautiful 120 unit community located in Greenwood, IN. Offering spacious 1, 2, 3 and 4 bedroom apartments in one and two story style construction.

Valley Forge is a 43 year old community that was controlled by the family of the original developer until its recent acquisition in Sept. of 2006 by Valley Forge Renaissance, LP. RHTC program has provided for the repositioning of an asset that was once considered one of the south sides premier properties, to once again provide stable and affordable housing in its community.

Revitalization of the Georgetown Apartments yielded a total of 90 units of high quality mixed-income housing. PAH oversaw the complete rehab of the site and existing buildings following its acquisition of Georgetown Apartments. All major building systems were upgraded, leaving the development in excellent condition.

Built in 1902, the four floor, 45,000SF building once served as the historic Sacred Heart Hospital. This 4.4 million dollar restoration project consisted of gutting the hospital and dividing the building into 26, one and two bedroom (680 – 1190SF), affordable apartments for seniors.
